Seventeenth Sunday in Ordinary Time
July 28, 2019

You were buried with him in baptism,
in which you were also raised with him
through faith in the power of God,
who raised him from the dead.
— *Colossians 2:12*

ASKING FOR HELP

The Beatitudes praise the poor in spirit. One characteristic of those who are poor in spirit is their ability to ask for help; they know when others can provide what they lack. Today's readings encourage us to practice poverty in spirit by asking God for what we need. What could be more natural than to ask God for good things? God is, after all, the inventor of goodness and the giver of all good things.

Asking God for help puts us in conversation with God. These conversations take many forms. The reading from Genesis shows Abraham bantering with God like a skilled negotiator, while Saint Paul's letter to the Colossians praises God for answering us even when we don't deserve it. In Saint Luke's Gospel, Jesus not only gives us words to use in our conversations with God (the Our Father), but also promises that God always listens to our prayers. *Copyright © J. S. Paluch Co.*

TREASURES FROM OUR TRADITION

The pilgrim experience of going by foot to Santiago de Compostella, the shrine of St. James, reached its high point this week at the feast of the Apostle, with tens of thousands of pilgrims on the road. Typically, they cover twelve to twenty miles a day through rough territory. The difficult journey and the often primitive lodging facilities are made bearable by the joy of the pilgrims, their songs and prayers. When their journey is documented properly, they receive the scallop shell, a reminder not only of James the fisherman, but also his call to fish for human beings and to baptize the nations. In the Middle Ages, those who wore this badge on their hats were granted lodging and hospitality wherever they went. Next to the palm, the sign of a Jerusalem pilgrim, the scallop shell was most highly prized.

In the Middle Ages, some people so enjoyed the pilgrim road, although it was filled with discomfort and danger, that they spent most of their lives on the road. Today, some people take up the route for exercise, but are drawn gradually into the spirituality of the journey. As you make your summer travels, always fold in an element of pilgrimage: a long walk through beautiful countryside, a visit to a church, a prayer of gratitude for your journey through life's hills and valleys.

Fertility Concerns? Look into Natural Family Planning —Do you know someone struggling with infertility? Modern medicine has made great strides in helping couples overcome infertility, by restoring reproductive health through the application of Natural Procreative Technology™. Yet many people, even in the medical profession, are still unfamiliar with it, even though it has a success rate of up to 75% in restoring natural fertility. More info?
