Nineteenth Sunday in Ordinary Time

August 11, 2019

*At an hour you
do not expect,
the Son of Man
will come*

Our soul waits for the LORD,
who is our help and our shield.
— Psalm 33:20

FAITH AND HOPE

Faith and hope are closely united in today's readings. The Israelites knew when the Passover was coming, and so were not in fear, but had faith and courage, "putting into effect with one accord the divine institution." In this we can see a foretelling of the Eucharist that we celebrate according to Christ's command, "Do this in memory of me."

We see that Abraham, Sarah, Isaac, and Jacob died in faith, although they did not see fulfillment of the promise. We live in hope that our faith will be fulfilled every time we celebrate this sacrament. We too are not to be afraid, but to have hope that our faith will be fulfilled in the coming of Christ. *Copyright © J. S. Paluch Co.*

TREASURES FROM OUR TRADITION

When Pope Pius XII died in 1958, there was the usual buzz of speculation about likely successors. Cardinal Agajanian, Patriarch of the Armenians, was highly thought of as a likely choice. This took many Catholics by surprise, since he had never celebrated the same liturgy as Pope Pius, but followed ancient Armenian customs according to the Eastern Church, which veils the Eucharistic liturgy from sight by a series of curtains, and in which the priest kneels while the people stand for Communion.

In the years that followed, the Second Vatican Council would affirm the dignity and independence of the Eastern Churches, in complete union with Rome, yet different in patterns of life and worship. We have the same faith, the same sacraments, and the same pope. Yet everywhere in the world our separate Churches are combined into families held together by the ministry of bishops. All of this serves as warning: If you ever say, "But we've always done it this way," you are on very thin ice indeed! —James Field, *Copyright © J. S. Paluch Co.*

URGENT— Defeat California State Senate Bill 24 (SB 24). Archbishop Cordileone urges Californians to contact their lawmakers to express their opposition to SB 24. **What is SB 24?** SB 24 mandates that the health centers at all state colleges and universities in California must provide "abortion by medication techniques." As SB 24 states, "All California public university campuses have on-campus student health centers, but none of these health centers currently provide abortion by medication techniques." SB 24 allows for RU-486, a chemical compound that taken in pill form can induce abortion in women up to 10 weeks pregnant, to be provided in all California public colleges and universities through their student health center.

Time is short. The bill has passed the state Senate, has been approved by all state Assembly committees, and awaits a floor vote when the State Legislature, currently in recess, reconvenes on **Monday, August 12.**

You can find and contact your State Assembly representative at the following website:

www.tinyurl.com/STOPSB24

A letter in opposition to SB 24 is provided and you can send it immediately by email.

For more information on SB 24 and the California bishops' statewide initiative to defeat the bill, visit the Archdiocese of San Francisco website: sfarchdiocese.org/stop-sb-24

Prayer to defeat Senate Bill 24

*Virgin of Guadalupe, Mother of the Christ Child
and Patroness of all unborn children,
we implore your intercession
for the defeat of Senate Bill 24
and for the protection of all human life.
Guide our public officials to see
the tragedy and injustice of abortion
and to defend each and every human life
through just laws.*

*Inspire us all to bring our faith into public life,
to speak for those who have no voice.*

*We ask this in the name of your Son, Jesus Christ,
who is Love and Mercy itself. Amen.*

NOT EASY

Faith makes all things possible—it does not make them easy.

When our cell phones or computers don't work as they should, we are told to "hard re-set" them. That means literally turning the power off and re-starting them. Our spiritual lives are the same. Sometimes things are not working as they should and we need to do something. Come and re-set your spiritual life. Fr. Brendan will use his experience as a former executive from the IT world to guide people working in the tech industry through a re-set procedure for our spiritual life.
