Pastor's Corner

In the Boat Together – On Friday, Pope Francis extended a blessing to the people of the whole world, typically given only on the election of a Pope, and on Christmas and Easter. But in these difficult times, he wanted the people of the whole world to receive the graces that comes from all the good works that the Church has in store, from people of good will and from the saints. During Friday's special prayer service, the Pope reminds us that we are all in the boat together. And like the disciples who experienced a storm in the boat and cried out to the Lord, we too may wonder like the disciples, "Lord, do you not care?" But Jesus responds, "why are you afraid? Have you no faith?" The Pope then reminds us to not just believe in the existence of God, but to place our faith and trust in Him. And all of us have a part to play in this pandemic. Certainly the medical professionals and those who do essential services are on the front lines caring and providing for us. But in our own little way, we too can do our part. Whether we are praying, patiently assuring our children or the elderly, little gestures of kindness, to reaching out and caring for the neighbor, to sheltering in place, we all have a part to play in this worldwide pandemic. The Pope adds, "we have an anchor: by his cross we have been saved. We have a rudder: by his cross we have been redeemed. We have a hope: by his cross we have been healed and embraced so that nothing and no one can separate us from his redeeming love." Pope Francis told people watching around the world that he would entrust all of us, "to the Lord, through the intercession of Mary, health of the people, and star of the stormy sea." He adds, asking God's blessing come down upon us, "as a consoling embrace. Lord, may you bless the world, give health to our bodies and comfort our hearts. You ask us not to be afraid. Yet our faith is weak, and we are fearful. But you, Lord, will not leave us at the mercy of the storm." With the blessing, the Pope extended an indulgence (meaning that we would be freed of the temporal punishment caused by our sins) if we turn from sin and promise, at the earliest opportunity, to go to confession, receive the Eucharist and pray for the Pope's intention
