### School Continues via Zoom -

After having just celebrated our school's 100th anniversary in February, no one would have imagined at the time that we would wrap up the remaining of the school year going totally virtual. But even though the teachers and students are not meeting in the school building, lessons continue via a meeting software called Zoom. And with Google Docs, students can write their papers and submit them to the teachers for review. I am proud of our teachers and staff who so quickly adapted their curriculum to these unusual times. And they continue to meet remotely among themselves, to coordinate their Zoom time with the families, to share with each other ideas, to learn how we can improve each day to help our students and parents in this remote classroom environment. We've also made school computers available to families that need them. And you'll be happy to know too that our PE teacher continues PE classes so the kids will get their exercise in, even as they shelter-in-place. Lastly, we are still planning a graduation celebration for our Class of 2020 with a dinner dance tentatively set for Fri, Aug 7 and a Graduation celebration on Sat, Aug 8. Good work teachers, students, staff and parents for adapting to these unusual situations with creativity and good humor.

**Praying During The Pandemic** - We will continue our Prayers for Divine Mercy, interceding for all affected by this pandemic daily @ 3pm. You can join us via Facebook Live. And as we accompanied the Lord during Lent, Via Crucis, the Way of the Cross, in Easter, we will accompany the Lord Via Lucis, the Way of Light, and of Hope. Each day we'll reflect on one of the 14 Stations of the Resurrection. We invite you to **join us from Apr 21-May 4 @ 3pm for the Chaplet to Divine Mercy, meditating on the Stations of the Resurrection.**

**Bible Study on the Early Church** - In this Season of Easter, our 1st reading will be taken from the Book of Acts. This book is a continuation of the Gospel of Luke. As the evangelist Luke explained in Luke chapter 1, he wrote down the events surrounding Jesus' life to help us believe. And in the book of Acts, Luke continued to record how the Spirit Jesus sent to His apostles, continued to work powerfully among them to help give birth to the Church. So this is our history, the Church's history. We invite you to join us and explore how God used ordinary men and women to help Him do great things that transformed our world and our lives, even 2,000 years later. **Our classes will be on the Wednesdays of the Easter Season (Apr 22 - May 27) at 7pm via Facebook Livestream.** Our own renowned Biblical Scholar, Fr. Peterson Tieng will be the presenter. Come join us!
