Pentecost Sunday

Pastor's Corner

Congratulations to Our Graduates - Though the Coronavirus prevented us from gathering together to physically celebrate graduation, nonetheless the school found a creative way to celebrate this via Zoom, an online meeting program. Graduates, their family, friends and teachers began logging into Zoom on Friday, May 29 at 10:30am for the 11am graduation ceremony. The students dressed in their finest clothes, their backdrop decorated with balloons and best wishes from their families began appearing one by one on the computer screen. The **Principal Mr. Tom White** began the Commencement with words of Welcome and commending this Class for adapting to unforeseen circumstances so well. Their teachers, **Ms. Kathleen Kelly, Ms. Catherine Vollert, Mrs. Kathryn Wilson and Mrs. Patricia Meek** recognized the graduates and the schools that they will be attending in the Fall. The top 5 schools that the 48 graduates will be attending are: 7 for St. Ignatius, 7 for Sacred Heart, 6 for Lowell, 5 for Riordan and 5 for Washington. The rest were accepted to some of the finest private and public schools in the City and surrounding region. Afterwards, awards were given in recognition of graduates who excelled academically and who were outstanding in their service to the parish. The Student Body President, **Maximillian Truong** then gave a Graduation Reflection, summoning up their experiences in the school from Kindergarten to 8th Grade. They had fond memories and made lasting friendships. They thanked all their teachers, but acknowledged in a special way **Ms. Kelly** who taught 8th grade and **Ms. Meek** who taught 7th grade who will be retiring. Their combined teaching experience of over 80 years, their wisdom for parents, teens and the school will be sorely missed. After a closing prayer and blessing, the students, faculty, family and friends all cheered together. It was our Centennial and an unusual year. But our students, teachers and families not only adapted but excelled and thrived. After the on-line graduation ceremony, the Junior High teachers and Principal hand delivered to each graduate a bag containing their diplomas, awards, mementos and balloons. **Congratulations, Class of 2020!!!**

Successful Blood Drive - Last Wednesday, our parish hosted a Blood Drive with the Blood Centers of the Pacific and it was a success as they had more donors than they could accommodate. I want to thank our parishioner, **Mr. Tom DelMundo** who saw the need and organized it. As a poster reminds us, *"You don't have to be a doctor to save lives. Just donate blood."*

Church Reopening - The County of San Francisco has allowed Houses of Worship to **reopen on Monday, June 15**. We will keep you informed of Archdiocesan, State and County requirements so that all of us can have a safe experience returning to Mass.

- Fr. Dan
