Pastor's Column

On Voting – In regard to the electoral process, Pope Francis says: “We need to participate for the common good. Sometimes we hear: a good Catholic is not interested in politics. This is not true: good Catholics immerse themselves in politics by offering the best of themselves so that the leader can govern.” So the Catholic is called to be a faithful citizen. We are called to make informed voting decisions based on a clear understanding of our faith and a deep appreciation of life, the common good, solidarity, care for the poor, and the other principles of faith and morals that are to guide our life. To assist us in this, the California Conference of Catholic Bishops has published materials to help us develop an informed conscience and navigate the complex and confusing choices. Visit https://cacatholic.org/2020_propositions to review their non-partisan analysis and the application of the Catholic Social Teachings to help us in our own discernment. While the California Bishops take no position on most of the propositions, below are two propositions on which they recommend a NO vote:

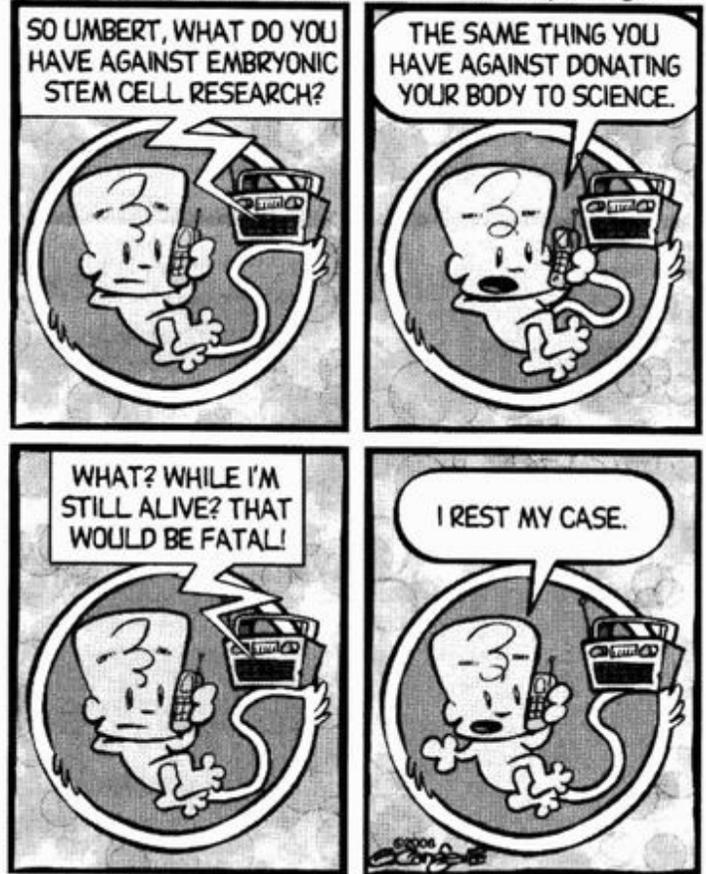

Proposition 14 – This proposition proposes the issuance of a \$5.5 billion bond for the California Institute for Regenerative Medicine, a state program created to fund stem cell research, including research involving embryonic stem cells. Because Catholic teaching objects to using human embryonic stem cells for experiments and because there is inadequate financial accountability and oversight of taxpayer funds, the California Catholic Conference of Bishops opposes this proposition and recommends a **NO** vote.

Proposition 20 – this proposition proposes to make changes to policies related to criminal sentencing charges, prison release and DNA collection, repealing Prop 47 (2014) and Prop 57 (2016), both supported by the California Bishops. Both Prop 47 & 57 were a shift in policy, reallocating resources toward rehabilitation in the state’s criminal justice system. A Yes vote for Prop 20 would repeal the progress made to rehabilitate a person and emphasize instead a more punitive approach to the California justice system. Because of that, the California Catholic Conference of Bishops opposes this proposition and recommends a **NO** vote.

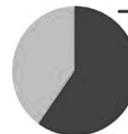

While good people can disagree on any number of issues, the California Bishops encourage us to be civil, to have honest debates instead of personal attacks that divide communities. They encourage us to promote civility, to love our neighbor and to build our community. If you’d like to make a pledge to be Civil, to build up rather than tear down, to love versus hate, visit <https://www.wearesaltandlight.org/civilize-it>.

THE BROKEN SYSTEM

More than 60% of inmates are deemed functionally illiterate.

1/2 of the 700,000 people released from federal and state prisons return within three years.

In the last four decades, the number of incarcerated individuals has increased by

more than 700%

This has cost taxpayers \$39 BILLION

THE EDUCATION EFFECT

43%

Inmates who participated in educational programs were 43% less likely to be reincarcerated.

13%

Participation in educational programs increased the likelihood of post-release employment by 13%.

As a conservative estimate, it costs \$3M LESS to educate prisoners than to pay the costs of reincarceration.

Prison education plays a pivotal role in reducing crime rates and taxpayer costs related to funding correctional systems, increasing post-release employment, and lowering recidivism rates among incarcerated individuals.

Saint Anne Health Ministry Volunteers Needed

As you know, we have opened up all Masses to be celebrated indoors by as many as 100 people per Mass. However, due to County health regulations, we need to take people's temperatures and have them sign in as they enter. To assist us with this, we need a minimum of three volunteers for each of the following Masses on the weekends: Sat. 5pm, and Sundays 8am and 10am. If you'd like to help out in any way, *please contact Mary at marydedelao@gmail.com* Many thanks!

A Day for Children Worldwide to Pray the Rosary

Archbishop Cordileone is asking all Faith Formation Programs to support this project of praying the rosary on October 19. Aid To The Church in Need International is inviting Catholic children around the world, as it does annually, to pray the rosary for peace and healing. The hope is that many children in the U.S. will participate in this call of prayer particularly as we grapple with a global pandemic and cope with social upheaval. Catholic schools and religious education programs are encouraged to join in this international day of prayer. To learn more, visit the website; churchinneed.org/one-million-kids-praying-the-rosary/
