Chinese American Friendship Ministry – While there are tensions between China and the US, the US-China Catholic Association's mission is to help build bridges of friendship and dialogue between the people of China and the US. They do this by offering educational service and cultural programs in support of the Church and larger society. Founded in 1989 by concerned US Bishops, Maryknoll, the Jesuits, and representatives of different religious orders, the Association aims to promote mutual support and fraternal ties between the Church in China and the US Church. A program they're promoting here in the Bay Area is the Chinese American Friendship Ministry. This gives the regular parishioner an opportunity to invite a Chinese student, who is already studying here locally, the opportunity to meet and participate in the "regular" life of a American Catholic family. Because these "foreign" students often times have no connection to anyone outside of the University, they can easily come to study here and return home without experiencing a deeper part of American and Catholic life. So the Friendship Ministry is a way to invite them to life outside the university. A host family can simply invite them to a meal, a parish event such as the upcoming parish festival, or Thanksgiving or Christmas celebrations. This gives us the opportunity to develop new friendships, live out our faith, learn about a new culture, and practice hospitality. If you're interested to learn more or to be a host(ess), you can reach out to 309-265-8151 or sfcoord@chinausfriendship.org - Fr Dan

Care for Each Other

Don't delude yourselves, Jesus says through the parable of the rich man and Lazarus. We really are supposed to care for others. It is not enough to go to Mass and occasionally serve at a parish or outreach function. We cannot remain complacent and consider ourselves followers of Jesus. No matter how much or how little material wealth we have, we always have something to give—our time and attention, care, and, when possible, our money. The way we treat and care for others, especially the poor and vulnerable, is the manner in which we show our love of God. As disciples, we must "pursue righteousness, devotion, faith, love, patience, and gentleness." Jesus calls us to see and respond to the least among us, because, as God's children, we are all part of one another. *Copyright © J. S. Paluch Co.*
