***Refrain:*** O Good St. Anne, we call on your name,  
your praises loud, your children proclaim.

1. To pray at your altar in faith we draw near,  
led here by your daughter, Christ's Mother so dear.

2. St. Anne is in heaven and joins us in prayer, to  
praise the Lord's blessings and love that we share.

3. To all those who come here you offer your prayer,  
that they may find comfort in Jesus' dear care.

4. St. Anne of the Sunset in work and in prayer,  
we ask your fair word upon all that we bear.

**Pilgrim's Prayer to Good St. Anne**

**O** Good St. Anne, you are a woman of incredible faith.  
In your life, you always trusted in God and  
received the strength that you needed.  
So I come before you today to ask for your  
intercession. When I am afraid, help me to trust  
in the Lord. He invites me to fear not but to have faith  
in the face of tribulation. He is my hope in time of trial.

**D**ear Grandmother St. Anne, you remind me  
that all things are possible with God. So I place myself in  
your arms and commend to your loving care my family  
members, loved ones and all those I care about.  
May God's grace help me conquer my fears  
and grow in my faith every day.

**Amen.**

## PRAYER FOR THE SICK

O Good St. Anne, you have the wonderful gift of being able to restore our trust. This is why we ask for your help to control the pandemic that threatens us.

We ask for your intercession to your grandson Jesus to restore health to those who are affected and peace to the places where this virus has spread.

We thank you for placing people on the path of our suffering who work in the medical field. They are often tired and overworked. Give them the energy that they need to confront this pandemic.

Lord Jesus, we feel powerless in this global health crisis, but we trust in you. You will always be the doctor of both our souls and our bodies.

Good St. Anne, with your daughter Mary, protect us, continue to take care of us and guide us always to your grandson Jesus.

Amen.

## PETITIONS TO ST. ANNE

Loving God, give us hearts that listen for your word. Let us imitate the Good Samaritan, who does not turn away from suffering. **R. Help us to Love.**

May we listen to those who struggle daily for dignity. Let us hear your voice in the stories of those on the margins. Help us always see what binds us together as sisters and brothers. **R. Help us to Listen.**

May we be willing to stand in the place of others. Let us be open to difference that we may arrive at understanding. Help us to seek reconciliation that our world may reflect justice. **R. Help us to Heal.**

May our faith move us to action in the public square. Let us work with others of good will, finding solutions together. Help us exercise political charity, seeking the common good and dignity for all. **R. Help us Respond.**

Give us the courage to respond like the Good Samaritan, setting aside divisions to attend to the needs of the other. May we know and see your love present in our communities, made real in the ways we love one another. **R. Help us to be courageous**

## DAILY OFFERING

### Day 1: Dark Clouds Over a Closed World

"A worldwide tragedy like the Covid-19 pandemic momentarily revived the sense that we are a global community, all in the same boat, where one person's problems are the problems of all. Once more we realized that no one is saved alone; we can only be saved together." (32)

### Day 2: A Stranger on the Road

"Each day we have to decide whether to be Good Samaritans or indifferent bystanders." (69)

### Day 3: Envisaging and Engendering an Open World

"All of us as believers, need to recognize that love takes first place: love must never be put at risk, and the greatest danger lies in failing to love." (92)

**Day 4: *A Heart Open to the Whole World***

**"The true worth of the different countries of our world is measured by their ability to think not simply as a country but also as part of the larger human family." (141)**

**Day 5: *A Better Kind of Politics***

**"The marketplace, by itself, cannot resolve every problem, however much we are asked to believe this dogma of neoliberal faith...The fragility of world systems in the face of the pandemic has demonstrated that not everything can be resolved by market freedom...we must put human dignity back at the center...." (168)**

**Day 6: *Dialogue and Friendship in Society***

**"...(Once) kindness becomes a culture within society it transforms lifestyles, relationships and the ways ideas are discussed and compared. Kindness facilitates the quest for consensus; it opens new paths where hostility and conflict would burn all bridges." (224)**

*Day 7: Paths of Renewed Encounter*

**"Those who work for tranquil social coexistence should never forget that inequality and lack of integral human development make peace impossible." (235)**

*Day 8: Religions at the Service of Fraternity  
in our World*

**"As believers, we are convinced that, without an openness to the Father of all, there will be no solid and stable reasons for an appeal to fraternity." (272)**

*Day 9: Feast of St. Anne*

**"Let us dream then, as a single human family, as fellow travelers sharing the same flesh, as children of the same earth which is our common home, each of us bringing the richness of his or her beliefs and convictions, each of us with his or her own voice, brothers and sisters all."**

**Pope Francis, Fratelli Tutti**
